I'm available both days. I was down at H&L this morning. No activity. Do you have an update when the removal will be scheduled?

I would like to set-up a quick conference call to see where you are at with your training and make sure we are all on track to get credentials. I also have a UST issue that I wanted to go over with you.

Are you available tomorrow or Thursday morning around 10 am for about an hour for a call.

Thanks.
